

Level 1 Transition  
from your ACSTH diploma

# New ICF Accreditation System starting 2023

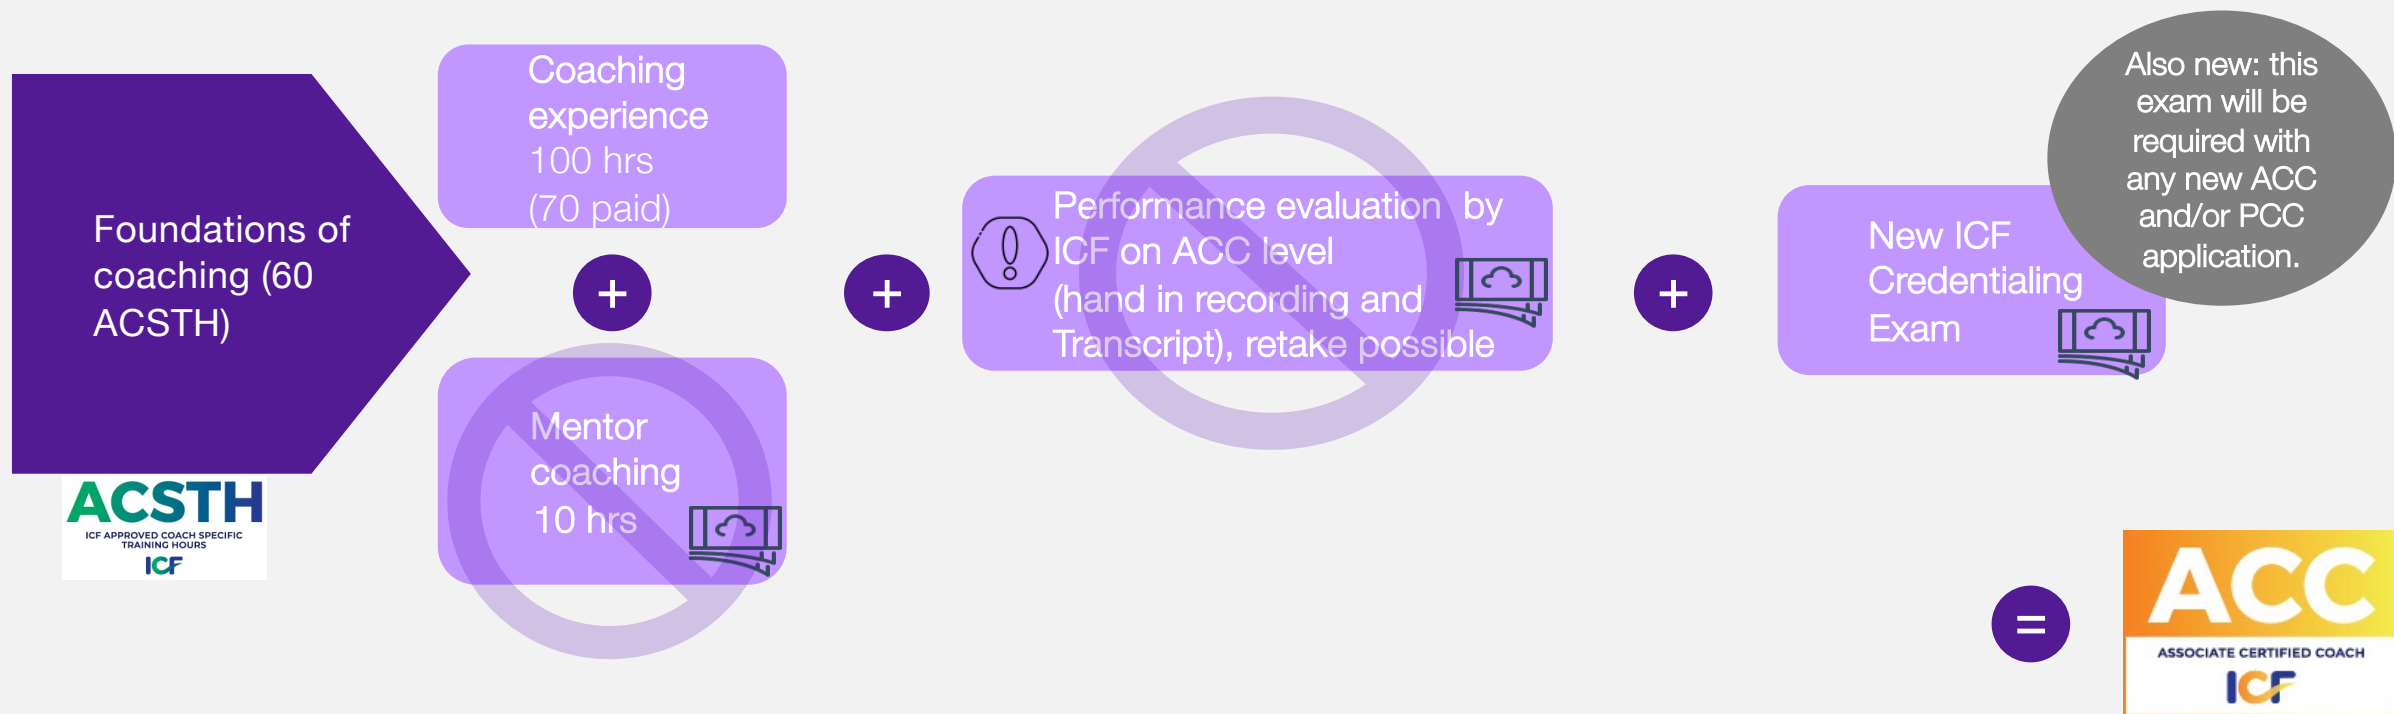

The [International Coaching Federation](#) now expects stricter examinations and mentor coaching to be incorporated to the ACC-level coach training programs, accrediting education providers with a Level 1 accreditation while replacing the less regulated Accredited Coach Specific Training Hours (ACSTH).

As the BA Coaching Academy always had high standards and already included many of these elements in our Foundations of Coaching programs, our alumni now have the exceptional opportunity to update their ACSTH diploma to a Level 1 diploma in one very quick and easy step and at the same time prepare for the ICF Credentialing Exam!

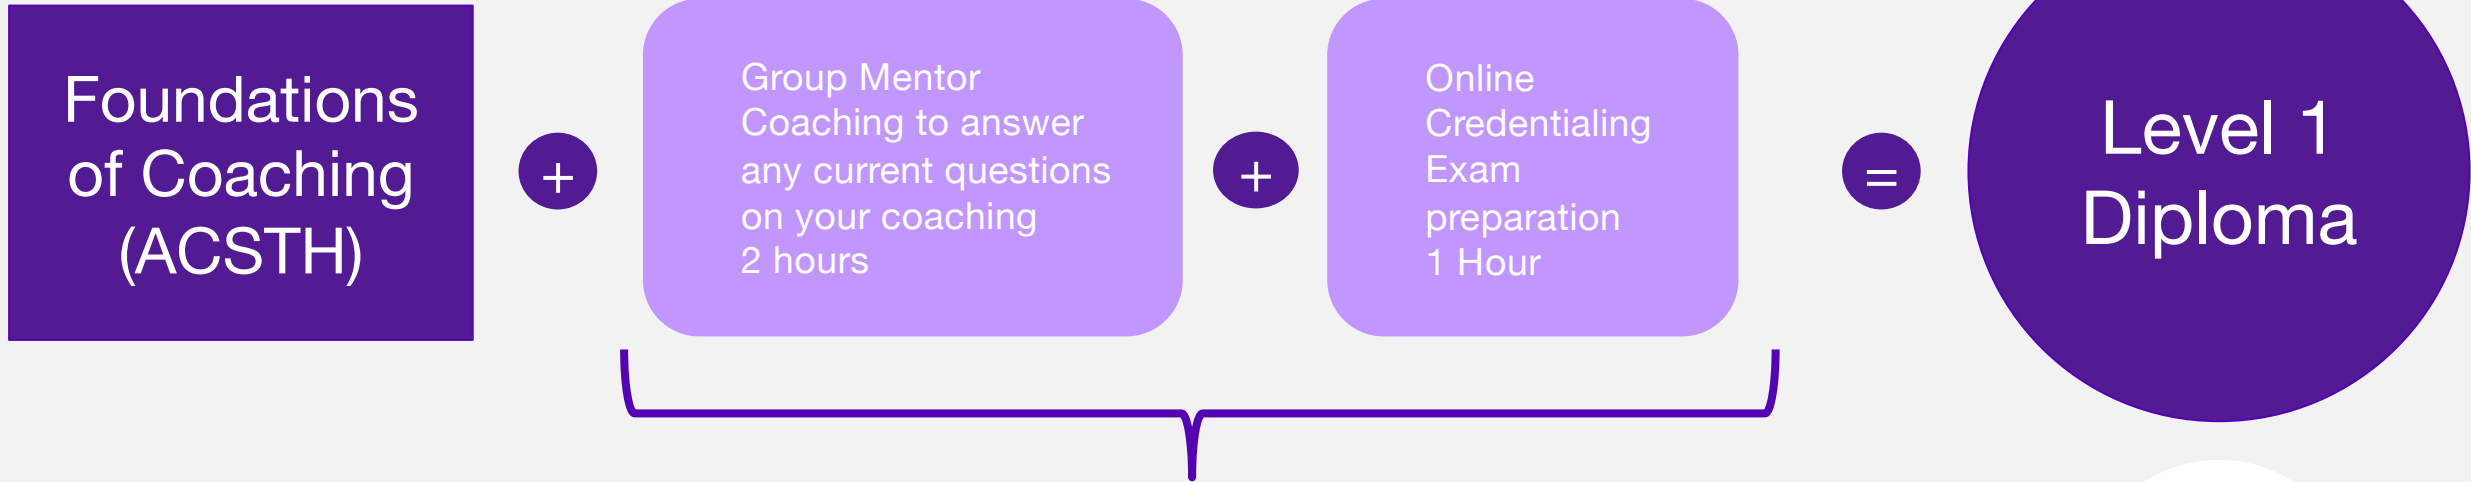

# What is the advantage of a Level 1 diploma?

You will no longer be required to pay for additional mentor coaching hours or hand in a coaching recording to be evaluated by ICF to apply for your ACC (or PCC) accreditation. Instead, you will only need the coaching experience hours and take the online Credentialing Exam.
